-AY 2013-2014 completers earned their credential in fall 2013, spring 2014, or summer 2014.

-The human resource files are collected yearly by CDE for the current academic year. The file reflects all staff and faculty in Colorado schools as of December 2014. See [https://www.cde.state.co.us/datapipeline/snap\\_hr](https://www.cde.state.co.us/datapipeline/snap_hr) for more information. The Colorado Department of Higher Education appended this file for EPPs which limited it to students who attended and earned an endorsement from their institution. CU Denver and all EPP's have not recieved this file since November 2015 when we recieved the prior year's files.

-If a student is not in The file does not mean that they are unemployed, or not working in The field of education for which they were prepared. It means they are not working in a Colordado school.
