F. COMMENTS:

Main Strengths

Areas of Improvement

G. OTHER COMMENTS:
H. **GRADE RECOMMENDATION** *(Please include a brief explanation of grade.)*

A letter grade of **A** indicates that in addition to completing all course requirements in a timely and professional manner, the student demonstrates excellent counseling and/or family therapy skills, has high standards of personal and professional behavior, demonstrates a willingness to learn, is cooperative and resourceful in his or her work environment and is committed to the counseling profession.

A letter grade of **B** indicates that in addition to completing all course requirements in a timely and professional manner, the student demonstrates strong counseling and/or family therapy skills, has average standards of professional and personal behavior, is willing to learn, is resourceful in his or her work environment and shows a commitment to the counseling profession.

A letter grade of **C** indicates that the student has not completed course requirements in a professional manner, needs to improve counseling and/or family therapy skills, has less-than-acceptable professional and personal standards of behavior, appears to be unwilling to learn and lacks sufficient commitment to the profession. A letter grade of **C** is considered unacceptable in the internship program. A student receiving this grade will be asked to reconsider his or her choice of profession, or, if exceptional circumstances are proven, a second internship may be required prior to graduation.

In cases where the student has failed to meet the required number of clock hours within the two semester time frame allotted for the internship experience, a grade of Incomplete will be given until the student meets the requirement. Failure to do so within one semester will result in an automatic letter grade of **C** and the associated consequences.

H. GRADE RECOMMENDATION (Please include a brief explanation of the recommended grade.)

____ A
____ B
____ C

GUIDELINES FOR GRADE ASSIGNMENT:

A letter grade of A indicates that in addition to completing all course requirements in a timely and professional manner, the student demonstrates excellent counseling skills, has high standards of personal and professional behavior, demonstrates a willingness to learn, is cooperative and resourceful in her or his work environment, and is committed to the counseling profession.

A letter grade of B indicates that in addition to completing all course requirements in a timely and professional manner, the student demonstrates strong counseling skills, has average standards of professional and personal behavior, is willing to learn, is resourceful in her or his work environment, and show a commitment to the counseling profession.

A letter grade of C indicates that the student has not completed course requirements in a professional manner, needs to improve counseling skills, has less-than-acceptable professional and personal standards of behavior, appears to be unwilling to learn, and lacks sufficient commitment to the profession. A letter grade of C is considered unacceptable in an internship program. A student receiving this grade will be asked to reconsider her or his choice of profession, or, if exceptional circumstances are proven, a second internship may be required prior to graduation.

In cases where the student has failed to meet the required number of clock hours within the two semester timeframe allotted for the internship experience, a grade of Incomplete will be given until the student meets the requirement. Failure to do so within one additional semester will result in an automatic letter grade of C and the associated consequences.
