Who is CU Denver?

- As Colorado's only public urban research university, CU Denver educates a diverse student body through quality academics, ambitious research and creative work, and civic engagement in the city we call home.

Graduates...

- Graduates gain the powerful combination of immersive classroom and real-world experiences that are in demand today, while the city benefits from well-educated, top talent and a new generation of knowledge that fuels the future of Denver and our region.

Strategic Priorities

- Elevate Student Success
- Advance Excellence and innovation in teaching, research and creative work
- Strengthen our position as a vital community asset
- Create a more cohesive, collaborative and inclusive CU Denver culture
- Achieve long-term financial stability and sustainability
