Additional Tips When Completing Your Time

- **Submit your timesheet to your supervisor by the 5th of each month** for the month previous.
- If you submit a request for leave prior to the event and have not seen an email approving/denying your request, it is suggested that you follow-up with your supervisor within 48 business hours.
- Ensure all vacation requests are approved in a timely manner, or you will not be able to submit your timesheet.
- All sick and vacation leave requests must be approved by your supervisor. Some sick leave requests may be entered as “Mark as Taken” if the event was unexpected and you were unable to request leave in advance.
- Even if you do not take any exception time (vacation, sick, etc.), you will still need to submit a timesheet.
